PROPERTY OVERVIEW

EXECUTIVE SUMMARY

Cushman & Wakefield is proud to present the opportunity to acquire a turnkey greenhouse facility. Previously operated by a prominent leader in the cut flower industry, Arcata Upper Bay Greenhouses feature an impressive 1,736,923± square feet of space under roof and are situated on 173± acres in the fertile landscape of Arcata, CA. The seller is willing to consider sale or lease offers for all or a portion of the offering and welcomes creative transaction structures. Additionally, there is an option for seller carryback for a qualified buyer.

In addition to the expansive greenhouse area, the facility boasts 942,521± square feet of supplementary support and residential structures, providing ample space for operational needs, processing, and comfortable living for staff or management. This comprehensive infrastructure makes the property a true turnkey operation. Investors and operators alike will appreciate the significant potential for expansion and innovation within this established facility.
